4 ways to play

1. **Pick a side:** point to one wall for each choice; players walk to their answer.
2. **Guess my answer:** one person answers secretly; everyone else guesses what they picked.
3. **Explain it:** each player gives one reason for their choice. Funniest reason wins the round.
4. **Story time:** after choosing, tell a 3-sentence story about what happens next.

Tips

Use at the dinner table, in the car or as a classroom brain break. Cut the questions into strips and draw them from a hat or stocking.
