How to play

1. Give each student a card and 25 markers (cereal, corn kernels or paper squares).
2. Everyone covers the FREE space. Call one word at a time and tick it on this list.
3. First to cover 5 in a row (across, down or diagonal) calls BINGO. Check against the list.
4. Early-finisher version: play blackout (cover the whole card). Works for grades K-5.
